You will need a current passport valid for the duration of your stay, as well as a visa that must be issued before your trip. As a short-term visitor you can get your visa on the Internet, using the Australian government's Electronic Travel Authority (ETA). Apply for a Visitor ETA, which is an electronic visa that takes the place of a stamp in your passport. You can also have your Travel Agent or airline apply for the ETA when you book your plane ticket.

In addition, when traveling internationally, Guests 17 years of age and younger may be required to show additional documentation if they are not traveling with both parents. Usually a notarized letter, signed by the parent or parents not traveling with the child and stating the child's name, adult guardian's name, itinerary, dates of travel and flight information, is required.

To ensure smooth travel, Adventures by Disney requires all travelers to comply with the regulations for the country you are visiting. This information is available from the country's consulate. Adventures by Disney is not responsible for the disruption of travel caused by improper documentation for any travelers, including children traveling without both parents. For specific documentation requirements, visit the U.S. State Department or the Australian Embassy.

If you are not a U.S. citizen, please check with the Australian Embassy or Consulate for information on documentation requirements.

Passport/Visa Services

Get more information about CIBT or call CIBT at (800) 406-1523. Be sure to mention Adventures by Disney, account #55134, for special pricing options.

PLEASE NOTE: ADDITIONAL CHARGES WILL APPLY FOR TELEPHONE CALLS made to access CIBT specialists.
