Park Pass Availability and Eligible Reservation Days

All reservations are subject to availability and applicable pass blockout dates, and guests should ensure their pass type is valid for park entry prior to making a park reservation. To enter one of the theme parks, each Passholder is required to have both a park reservation and a valid annual pass. Annual Passholders can hold up to 3 park reservations at a time. Passholders staying at select Disney Resort or other select hotels are eligible to make park reservations for each day of their Resort stay(s), in addition to holding up to 3 days of park reservations at a time. Once you use a theme park reservation, you can make another reservation for a future date.

**Annual Pass with Park Hopper benefits (visiting more than one theme park on the same day): We will set specific Park Hopper hours during which this option is available. Park Hopper hours will start at 2 PM each day and end at the park's scheduled close time. Guests are now able to check the [Park Hours calendar](#) and the My Disney Experience app for the most up-to-date Park Hopper hours, as they could start earlier at a later date, depending on the day and park. With the updated Park Hopper experience, Annual Passholders must make a Disney Park Pass reservation for the first park they plan to visit AND enter that first park prior to visiting another. At this time, a park reservation is not required after the first park, however, reservation requirements are subject to change.
