GUIDE FOR GUESTS WITH DISABILITIES

We have taken enhanced health and safety measures for you, our other Guests, and Cast Members. You may notice some new procedures while visiting Disneyland® Resort. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is extremely contagious and is spread mainly by droplets from the nose and mouth of infected people who cough, sneeze, talk, sing, or breathe. For more information, visit our Health and Safety page at Disneyland.com/COVID19.

ACCESSIBILITY AND MOBILITY

Restaurant Services

• Certain restaurants and menu items are available for guests with dietary restrictions.

• All food and beverages at the Disneyland Resort are made with clean, water-based ingredients, unless otherwise specified.

• Clean, water-based beverages are available in non-disposable containers, free of charge, upon request.

• Certain beverages, such as sparkling water, are available at Guest Relations or in the park.
