

SIGN LANGUAGE INTERPRETED EXPERIENCES

The Disneyland Resort provides American Sign Language interpretation for our Guests at specific experiences on a rotating basis: **Disney California Adventure Park on Sundays and Fridays / Disneyland Park on Mondays and Saturdays.** Guests with hearing disabilities should consult the *Guide for Guests with Disabilities* or visit Guest Relations for additional information about Sign Language interpreting services, assistive listening, handheld, & video captioning, and written aids.

To maximize the available Sign Language offerings, we encourage Guests to plan their visit on a designated day. If visiting our theme parks on a non-designated day, Sign Language interpretation for a limited number of regularly-scheduled offerings may be available by request with at least 14 days advance notice.

- All Character interactions are subject to availability and may change without notice. The scheduled times have been selected to give the best opportunity for the most Characters to be present but cannot be guaranteed.
- The Sign Language interpreter will meet you at the designated times and locations listed above. If you are unable to meet at the designated time, the interpreter will wait for you up to 10 minutes after that time.
- Our service is not a guided tour and a Sign Language interpreter will not escort parties around the Parks.

If you have any questions about our Sign Language interpreted performances or to request services on non-designated days, please contact d1raccessibilityservices@disney.com.
