*Great Sphinx of Giza*

Mythical part-human, part-lion creature carved from a single piece of limestone.

*Great Pyramids of Giza*

One of the seven wonders of the world. Did you know the Egyptians created a new unit of measure called the cubit to build these incredible structures?

*Souk*

A marketplace. On the Adventures by Disney trip to Egypt, travelers will visit Khan el-Khalili, a major marketplace that was established in the 14th century.

*Nile River*

Without this important body of water, Egypt would only be desert!  
It flows over 4,100 miles serving as a vital source of irrigation.

*Pharaoh*

Word meaning "Great House," where these rulers and protectors of ancient Egypt lived.

*King Tutankhamun*

Also known as the "boy king." On the Adventures by Disney trip to Egypt, guests visit the Valley of the Kings, where the tomb of this young pharaoh is located.

*Hieroglyphics*

Developed around 3150 B.C., this system of writing includes over 700 pictorial characters. On the Adventures by Disney trip to Egypt, Junior Adventurers learn how to write their name in this ancient script.

*Abu Simbel Temples*

This temple complex, part of the UNESCO World Heritage Site known as the "Nubian Monuments," contains twin temples carved out of the mountainside in the 13th century BC.

*Papyrus*

A plant that ancient Egyptians used to make paper. It was also used to make things like rope, cloth, and boxes.

*Temple of Isis at Philae*

This temple honors the goddess who was known as the giver of life.

*Luxor Temple*

This temple features towering columns and was built on what was known as the ancient city of Thebes.  
This may have been the site where many of Egypt's kings were crowned.
