## HISTORY

Spring is here! At Shanghai Disneyland, springtime brings bursts of colorful decorations and flowers. Floral center-pieces frame the view to the castle and Mickey Avenue is adorned with flowers and polka dots! Cherry blossoms, plum blossoms, magnolias, apple floral archways, lupine, tulips, and roses are planted throughout the park and will bloom at different times throughout spring.

Cherry blossoms also adorn Mickey and Minnie's festive springtime apparel! Hide an egg in your floral backdrop, and go egg hunting with Mickey and Minnie at home!

## INSTRUCTIONS

1. Sheets 1 and 4: Color and cut out the pieces. Start by folding the main body and gluing each tab as indicated. Assemble the head as shown in the image.
2. You may attach the arms if you prefer to keep a base model, or keep them off to allow wardrobe changes. Apply glue only to the very center of the feet and attach to base.
3. Sheets 2 and 3: Choose either the black and white version or colored version. Cut out all the pieces and fold as noted in guide. Start with the trousers and shoes (piece 1) overlap the back and glue. Apply glue only to the very center of the feet and attach to base. Wrap the shirt (piece 2) around body and glue. Fold the shirt collar as shown in image. Next, glue on the neck tie (piece 3) and then the coat (piece 4) on top. Next, fold and glue the arms (piece 5) to the back and sides of the coat. Cut a slit in the hat brim (piece 7) as shown and glue assembled hat top (piece 6) to brim.
4. Sheets 5 and 6: Choose either the black and white version or colored version. Cut out all the pieces, and fold as noted in guide. Start with the under dress and shoes, (piece 1). Wrap around the base body, overlap and glue tabs in back. Apply glue only to the very center of the feet and attach to base. Fold the skirt (piece 2) only at the waist, wrap the model, then glue or tape to secure. Fold and glue the coat (piece 3) Attach arms (piece 4) to the back of the coat and glue. Wrap belt (piece 5) around Minnie's waist and glue in front. Cut a slit in the hat brim (piece 7) as shown and glue assembled hat top (piece 6) to brim.
5. Sheets 7 and 8: Color pages as you like. Cut out the pieces and fold according to guide. Assemble front signage and back egg holder (piece 1) by attaching two slots behind. This creates the egg holder. Assemble the wreath backdrop (piece 2) and only glue the very tip of the top portion. Place and glue pieces 3 - 6 on both sides as shown. Now you have a Shanghai Disneyland Spring backdrop for Mickey and Minnie, and don't forget to hide an egg as shown in the image!
