

CELEBRATES

NATIONAL SCAVENGER HUNT DAY

DISNEYLAND: IT'S A SMALL WORLD

30 Disney and Disney/Pixar favorites have been artfully blended into the show, appearing as doll-like figures and toys in the countries and/or regions in which their stories take place.

Take a ride through and see how many characters you can find from the list below!

Let us know how many you can find! [#planDisney](#) [#NationalScavengerHuntDay](#)
