

An aerial photograph of the Aulani resort in Hawaii at sunset. The sun is low on the horizon, casting a warm, golden glow over the scene. The resort's multi-story buildings with traditional Hawaiian architectural features are prominent on the right. Lush tropical vegetation, including palm trees and dense greenery, surrounds the resort. In the foreground, there are swimming pools and a beach area. The sky is filled with soft, white clouds.

Tips from the Panel

Download the free Aulani Resort Mobile App ... Here you can check the daily (and weekly) offerings, special activities and become a Master Wayfinder before you ever step foot on the resort!

I love the convenience of pre-ordering groceries for Disney Vacation Club Resort stays ... DVC Villas have the option to submit an order form to have purchased groceries **available for pickup at Kālepa's Store.**

Aulani wins hands down. The pool area is amazing, the beach is just steps away, and **live music at The 'Olelo Room was the perfect end to our days.**

The island of O'ahu has so much to offer, I recommend leaving time in your schedule to **explore other areas of the island.**

Make sure to **check on the Aulani App** for the Kālepa's Store Pin Trading Hour.

One of the reasons I found **Membership through Disney Vacation Club** so appealing was the ability to use my points in Hawaii!
