The Basics

As soon we enter the **elegant, woodsy lobby**, we know we are home. We treasure the **easy access to the theme parks**.

Our favorite meal at the hotel is **poolside munchies at GCH Craftsman Bar**...the Double-baked Nachos and Avocado Toast are EARresistible!

It's almost inside a theme park, and it has an **exclusive entrance to Disney California Adventure Park**... it's very convenient and **ideal for families with little ones** who'd like to take naps during the day.

I'm dying to enjoy the **new Tenaya Stone Spa!** I also **recommend dining at Napa Rose** at least once... their **menu is exquisite**, pairing wonderfully with the wine selection.

If you have a little one who loves Disney Princesses, check out the **Disney Princess Breakfast Adventures at Napa Rose**. It's a three-course breakfast **filled with royal fun**, and little ones even get to take home a **surprise keepsake**.
