

The background of the entire page is a photograph of Disney's Vero Beach Resort. It shows a large, multi-story resort building with a complex roofline featuring several gables and towers. The building is painted in a warm, golden-brown color with white trim around the windows and balconies. In the foreground, there is a sandy beach with several lounge chairs and green and white striped umbrellas. To the left, a small green lifeguard stand sits on a wooden pier. The sky is a mix of blue and soft orange/pink, suggesting a sunset or sunrise. The overall scene is peaceful and scenic.

# Tips from the Panel

Stop by the Green Cabin Lounge in the morning for a specialty coffee and fresh pastries while watching the sunrise on the beach, then spend the day splashing in the waves or sitting by the pool, and enjoy an evening at the campfire. **Sounds perfect to me!**

Come back and **relax in the Green Cabin Room** at night enjoying after dinner cocktails and small plates or stop by daily from 4-5pm for a Beverage class put on by the resort's bartenders.

**We love staying within the Disney magic** while lounging on the beach, swimming in the perfectly themed pool and, hopefully, catching a glimpse of some baby sea turtles! Check with the front desk for turtle conservation activities happening during your stay.

**Wind & Waves Market offers breakfast, lunch and dinner** options for guests. Try the Key Lime Mickey Waffles, Eggs Benedict, Shrimp & Grits, or the daily specials.

You can **swing by the Pool Bar** between 5-9pm each night and get the Wind and Waves Grill Menu To-Go.
