

## Do-It-Yourself Summertime Lantern

### Materials

- Character Cutouts
- Jar or Glass
- Rubber Cement Glue or Tape
- Battery-Operated Candle or Electric String Lights
- Scissors

*Note: Use only battery operated or electric candles/lights. Do not use real candles or other open flame sources.*

### Instructions

1. Print out this sheet.
2. Cut out the Characters.
3. Glue or tape Characters to jar or cup.
4. Turn on lights and put them inside the jar or cup.
5. Enjoy!
