# Tips from the Panel

Be sure you have the Disney Cruise Line Navigator app downloaded so you can check the activities schedule - entertainment is always subject to change, so having the app on your side is always a great way to stay informed! You'll also use the app to stay connected with your party while on board.

Some of my favorite family-friendly activities to enjoy are the interactive game shows in D-Lounge, the nightly entertainment in Walt Disney Theatre, trivia games, and lots of time by the pool.

If you are up for the thrill, don't miss the AquaDunk waterslide onboard. It's a plunge that will have you absolutely screaming with delight (or possibly fright).

If you are a coffee connoisseur, then you must make a point of visiting Cove Café on Deck 9 aft, right beside the Quiet Cove pool in the adult-exclusive area - and don't forget to ask for a Café Fanatic frequent coffee reward card for those delicious specialty coffees.
