Voyage Highlights

LIGHTSABER TRAINING

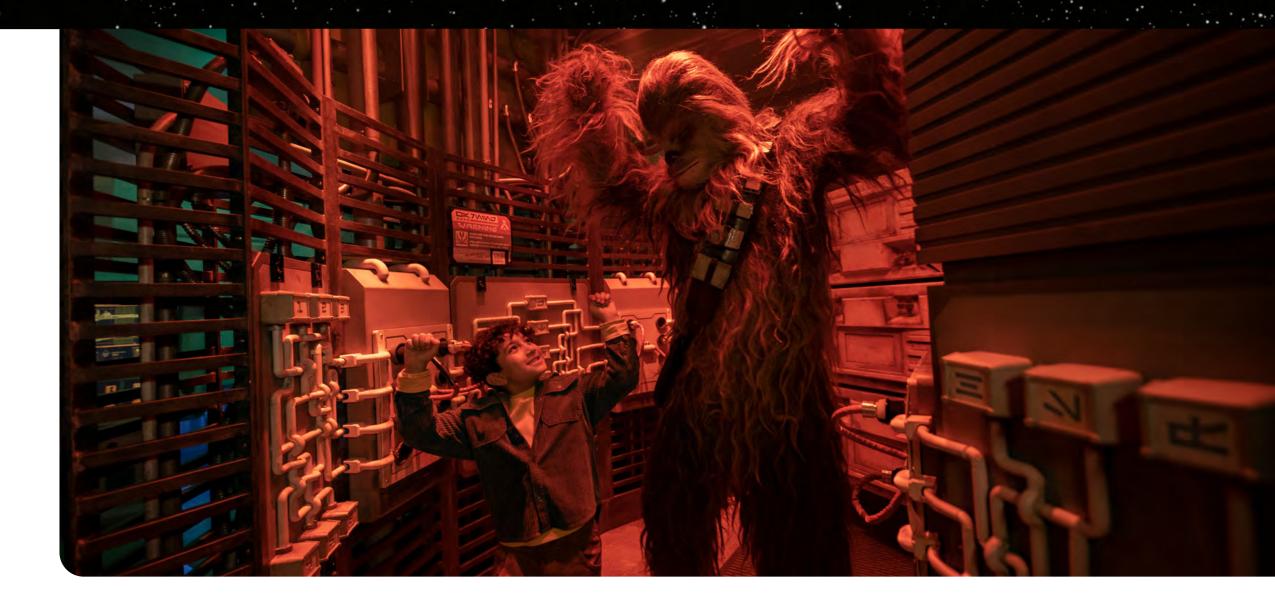

Head to lightsaber training where you'll learn the ancient art of wielding a lightsaber. Here, a wise saja will teach you how to dodge and deflect blaster fire using a training droid. There might even be some who are force sensitive among you.

2 BRIDGE TRAINING

Explore the working bridge of the legendary Halcyon starcruiser and learn how it functions from the crew during this hands-on experience. The crew will teach you how to keep the Halcyon starcruiser safe from unforeseen galactic entanglements. These skills may even come in handy should critical situations arise later in your voyage!

3 PLANET EXCURSION TO BATUU

Your missions throughout *Star Wars: Galaxy's Edge*—including your adventures on *Star Wars:* Rise of the Resistance and Millennium Falcon: Smugglers Run—will influence events back on the ship. You'll be able to enjoy one-time priority entry to these attractions during your excursion to Batuu.

Tips for Younglings

If you're traveling with passengers under 7 years old, here are some of our favorite tips for a good journey:

- **READY TO JOIN THE LOTH-CAT CREW?** Throughout your voyage, the Loth-Cat Crew will host activities just for younglings like the Porg Detection Drill, and Droid Racing.
- EVEN YOUNGLINGS CAN LEARN THE POWER OF THE FORCE!
 For any passengers under 7, an exclusive Lightsaber Training class will be automatically added to their itinerary.
- NOT FOND OF GALACTIC CUISINE? The Younglings menu offers more familiar fare from their home planet like chicken, cheese pizza and buttered noodles. We recommend the Blue Milk and cookies!

Additional Offerings

Add these activities to your *Star Wars: Galactic Starcruiser* voyage to enhance your experience and to make the most of your planet excursion to *Star Wars: Galaxy's Edge*. Additional fees apply.

CAPTAIN'S TABLE

Arrange to sit at the Captain's Table for an especially memorable experience during dinner at the Crown of Corellia Dining Room. Enjoy extra courses that are only offered at the Captain's Table and sit in a prime location in the center of the dining room.

2 CSL PORTRAIT EXPERIENCE

Up to eight Passengers can take part in a 30-minute session to capture personalized photos at unique locations around the starcruiser. Our *Disney PhotoPass* Photographers will make sure your group looks their galactic best!

3 IMAGE DESIGN

4 THE CHANDRILA COLLECTION

This exquisite boutique aboard the Halcyon starcruiser has fine *Star Wars*-themed clothing, envy-causing collectibles and even official toys!

Tips from the Panel

Download the Play Disney Parks app prior to your arrival so you're ready to go! Your *Star Wars*: Datapad is a great tool to check your schedule of events, receive important communications, and can even translate galactic writing!

Don't wait for your story to come to you! Introduce yourself to the Crew Members or ask the characters, "how can I help?". You never know how your story may unfold...

Everything you do on Batuu impacts your story! Be sure to keep checking the communications on your Datapad to receive your next set of instructions. Oh, and good luck while piloting Millennium Falcon: Smuggler's Run!

Having blue and green milk on tap in the Crown of Corellia Dining Room was such a treat. If you can't decide which one you like the most, why not try mixing the two.

Don't miss out on the exclusive merchandise during your voyage. The Chandrila Collection on the Halcyon starcruiser is available the first and second day of your voyage, but not disembarkation day. This boutique aboard the ship features Chandrila Star Line specific merchandise, whereas the gift shop as you exit features *Star Wars: Galactic Starcruiser* merchandise.
