Don't miss the adult-exclusive area, Serenity Bay. Your little ones can enjoy supervised youth activities at Scuttle's Cove while you find a relaxing hammock by the ocean in this oasis.

There are complimentary trams with two stops along the Castaway Family Beach. Guests looking to enjoy the adult-exclusive beach on the island's far side will need to disembark at the Pelican Point tram stop and transfer to the Serenity Bay tram. Trams run frequently.

Going on a bike ride is a perfect way to explore the beautiful island nature! For a family-friendly bike ride, bikes are available to rent with child seats attached or training wheels.

When visiting Disney's amazing private island, Castaway Cay, guests are more than welcome to bring their own personal snorkel gear. There's no charge to snorkel with your personal equipment, but all snorkelers will be required to wear a life vest in the lagoon. Life vests are provided free of charge at Gil's Fins and Boats or Flippers and Floats.
