■ Tick-tock, tick-tock...it has a vivid green face and 13 hours, can you spot this supernatural \_\_\_? 🦋

■ If the spirits allow — and if your timing is just right — a phantom will materialize where ghostly goods are sold.

■ After you find the shop's possessor, look up high for glimmering ghosts in jars. 🦋

## Fantasyland

■ You'll need some pixie dust to soar above the London skyline, but there's no CAWse for alarm. Look to your right for a sinister feathered friend.
