TIME TO GET JOLLY

Disney Jollywood Nights

An illustration of a Hollywood-themed night event. In the background, a large, ornate building is lit up and labeled 'The HOLLYWOOD TOWER Hotel'. The scene is filled with palm trees decorated with colorful lights and stars. In the foreground, several people in formal attire are dancing. Large, glowing stars are scattered throughout the scene. The overall color palette is dark blue and black, with warm yellow and orange lights from the buildings and decorations.

DISNEY JOLLYWOOD NIGHTS

Tips from the Panel

Here's what the panelists are looking forward to experiencing at this brand-new event:

I cannot wait to dress to impress, walk the old Hollywood red carpet and dance the night away at the DJ dance parties!

Disney's Hollywood Studios is my favorite park during the holidays because of the decor. Add the jazzy dapper vibe and the Oaxaca Old Fashioned from the Holiday Fiesta en la Calle to the mix and I'm swooning!

We're a Muppet-loving family, so we are looking forward to seeing Kermit and Miss Piggy as the hosts of a brand-new stage show in the Theater of the Stars!

I'm the most excited about the Magic Shot opportunities across the park! A robotic arm camera capturing our glam looks? Say less; I'm there!

I'm looking forward to stepping out in style at the Twilight Soirée at the Tip Top Club to enjoy a dapper evening with live music in this otherworldly venue evoking a different era as the Hollywood Tower Hotel looms overhead!
