# Tips from the Panel

One of my favorite features of MagicBand+ is that it will glow and pulse with select nighttime spectaculars, including “Together Forever - A Pixar Nighttime Spectacular” at Disneyland park.

---

Head to the Hollywood Backlot at Disney California Adventure park in the evening to experience Club Pixar! The magic of Pixar comes to life with live entertainment, backyard games, photo opportunities, a “drive-in” inspired movie experience showing Pixar shorts, and Pixar-themed food and drinks.

---

Grab an Adventure is Out There! Cold Brew from Troubadour Tavern at Disneyland park to enjoy while your little Wilderness Explorers have a blast at the Pixar Pals Playtime Party at Fantasyland Theatre!

---

Don't forget that unlimited Disney PhotoPass digital downloads from the day are included with your Disney Genie+ purchase, so be sure to strike a pose with all your favorite Pixar pals! Many of Pixar's most popular characters can be found around the neighborhoods of Pixar Pier at Disney California Adventure park.

---

Always save room to enjoy a tasty treat while you watch the return of “Together Forever - A Pixar Nighttime Spectacular!” at Disneyland park. I can't wait to see new scenes from “Turning Red”, “Soul”, “Onward”, and more of our Pixar friends.
