For the current budget year, DVCM will receive an annual management fee equal to twelve percent (12%) of the Estimated Budgets for the Bay Lake Tower Resort, which is equal to the sum of \$276,324 per month or \$3,315,884 per year. This percentage level for compensation may not be increased without the approval of the Board of Directors controlled by DVD; however, the actual compensation received by DVCM for these services will increase as the Estimated Budgets increase.

- Paragraph 6b was updated to reflect the 2024 estimated budget.

b. Basis for Assessments. DVD has agreed to guarantee to each Purchaser and Owner that they will only be required to pay an assessment for operating and reserves expenses of \$5.7666 per Vacation Point through December 31, 2024, exclusive of ad valorem taxes which are billed separately. In consideration of this guarantee and pursuant to Florida law, DVD will be excused from the payment of its share of the expenses which otherwise would have been assessed against its unsold Ownership Interests during the term of the guarantee. As a consequence of this exemption, during the term of this guarantee, existing Owners and current Purchasers will not be specially assessed with regard to Common Expenses, except as hereinafter provided, if Common Expenses exceed the guarantee per Vacation Point amount and DVD will pay any difference between actual expenses and assessments collected from all Owners and income from other sources. Amounts expended for any insurance coverage required by law or the Condominium Documents to be maintained by the Association and depreciation expense related to real property shall be excluded from the calculation of the Developer obligation except that for real property used for the production of fees, revenue or other income depreciation expense shall be excluded only to the extent they exceed the net income from the production of such fees, revenue or other income. DVD will pay such expenses as needed to meet expenses as they are incurred. However, any expenses incurred during the guarantee period resulting from a natural disaster or an act of God, which are not covered by insurance proceeds from the insurance maintained by the Association, will be assessed against all Owners owning Ownership Interests on the date of such natural disaster or act of God, or their successors or assigns, including DVD, provided that during any period of time DVD controls the Association pursuant to Section 718.301, Florida Statutes, the Association maintains all insurance coverages required by Section 721.165, Florida Statutes. Any special assessment imposed for amounts excluded from the guarantee pursuant to this paragraph shall be paid proportionately by all Owners, including DVD with respect to the Ownership Interests owned by DVD, in accordance with the Condominium Documents. DVD reserves the right, but is under no obligation, to extend and/or increase the amount of this guarantee for one (1) or more periods of one (1) year each after the expiration of this guarantee period on December 31, 2024, as permitted by Florida law.

The 2024 annual assessment (exclusive of Ad Valorem Real Estate Taxes) will be calculated by multiplying the number of Vacation Points associated with your Ownership Interest by \$5.7666 per Vacation Point.

Estimated Ad Valorem Taxes for January 1, 2024 through December 31, 2024

The amount of ad valorem taxes assessed against each Unit will be determined by the Orange County Property Appraiser's Office and the Central Florida Tourism Oversight District Appraiser, respectively. The estimated ad valorem tax assessments to be included on your 2024 Annual Dues billing statement will be \$1.8236 per Vacation Point. This is DVCM's best estimate of the actual taxes, which will be assessed for the tax year 2024. DVCM does not certify this ad valorem tax estimate. Each Owner is responsible for his or her per Vacation Point share of the actual tax bill received each year from the tax collector's office. Any difference between the tax estimate and actual taxes paid on the Owner's behalf will be applied towards the Owner's subsequent year's tax assessment.

2024 Estimated Annual Dues Assessment

The estimated Annual Dues for the year January 1, 2024 through December 31, 2024 are \$7.5902 per Vacation Point, which is comprised of the estimated Annual Operating Budget (\$4.4483 per Vacation Point), the estimated Annual Capital Reserves Budget (\$1.3183 per Vacation Point) and the estimated ad valorem taxes (\$1.8236 per Vacation Point). The total amount of Annual Dues paid by a Purchaser or Owner is determined by multiplying the total number of Vacation Points represented by the Ownership Interest purchased by \$7.5902.
