One reservation point is equivalent to one allotted vacation point. Reservation points have no other relationship with, or comparison to, vacation points and are established for convenience of reference only. Reservation points are per person, based on occupancy listed in the chart above. For trips showing a Range of Reservation Points, actual point value will be determined based on trip date – please contact Member Services for details. Airfare to and from destination is not included and travel time necessary to reach a given destination is not included in calculating trip lengths. Certain trips may begin early on the first day of the itinerary and may end late on the last day. Members should contact Member Services or visit <https://www.nationalgeographic.com/expeditions/> for additional information, including minimum age requirements, trip components and dates, details about overnight accommodations that may be required before and after itinerary dates, gratuities, additional surcharges, etc. Membership Extras are available with eligible ownership interests. General terms and conditions of this program are in the "Membership Extras Acknowledgment and Disclosure Statement." Program terms and conditions are subject to change without notice. Point requirements for Disney Collection exchange reservations are subject to change without notice.

- National Geographic Expeditions reservations must be made prior to the last 4 months of your Use Year for trips during that Use Year.
- A non-refundable \$95 transaction fee applies per confirmed National Geographic Expeditions reservation. If payment is not received at the time of confirmation, *Disney Vacation Club*® reserves the right to cancel the reservation.
- Modifying the amount of travelers on a National Geographic Expedition may result in an increase, or decrease in per person pricing and the travelling party will be responsible to pay any increases in trip cost at the time of modification.

All exchanges and reservations are subject to availability, and National Geographic Expeditions itineraries are subject to cancellation or modification.
