ACKNOWLEDGMENT AND DISCLOSURE STATEMENT

By execution of the receipt set forth on the last page of this Membership Extras Acknowledgment and Disclosure Statement (the "Statement"), formerly known as Member Benefits Guide, the undersigned purchaser of a vacation ownership interest (an "Ownership Interest") in a *Disney Vacation Club*[®] Resort ("DVC Resort") acknowledges receipt of this *Statement*. This *Statement* serves as the acknowledgment and disclosure statement, as required pursuant to Section 721.075, Florida Statutes, for the incidental benefits program known as Membership Extras (the "Program") provided by Disney Vacation Development, LLC ("DVD") to purchasers, including the undersigned purchaser ("Purchasers"). This *Statement* contains information about the Program and the special benefits, offers and opportunities (the "Benefits") made available through the Program by DVD to Purchasers who directly purchase an Ownership Interest from DVD and become members in *Disney Vacation Club*[®] (the "Club"). Any capitalized terms used in this *Statement* that are not defined in this *Statement* shall have the meaning provided in the Public Offering Statement provided to Purchaser in connection with the purchase of an Ownership Interest. "Member" as used in this *Statement* shall mean a Purchaser who has acquired an Ownership Interest directly from DVD and is a member of the Club in good standing pursuant to the terms and provisions of the Club, including compliance with all Club and DVC Resort rules and regulations and current payment of all annual dues and purchase-money financing.

Membership Extras, such as Disney-branded exchange options, options offered through the hotel exchange program ("Hotel Exchange Program"), and any other exchange options, certain discounts, offers, and special events are incidental benefits. These incidental benefits, which may also be referenced elsewhere as part of "Disney Collection" or "World Collection," are subject to change or termination without notice, may require the payment of a fee and cannot be combined with any other offers or promotions. Membership Extras are also subject to availability and block-out dates may apply, including periods of high demand such as Christmas and New Year's Day. To receive any Membership Extras, purchasers must meet the eligibility requirements and present a valid digital Disney Vacation Club Membership Card, along with a corresponding valid photo ID. Effective June 3, 2021, to obtain an eligible Disney Vacation Club Membership Card, Members must have one or more Ownership Interests purchased directly from DVD and symbolized by a combined total of at least 150 Vacation Points. Disney-branded exchange options and all options offered through Hotel Exchange are not available for ownership interests not purchased directly from Disney Vacation Development, LLC after March 21, 2011, and, effective April 4, 2016, Members who have not purchased an ownership interest directly from DVD will not have access to Membership Extras.

Use of any Benefits and participation in the Program is completely voluntary and payment of any fees or other costs associated with the Program or any Benefit is required only upon such use or participation. No costs of acquisition, operation, maintenance or repair of the Program or any Benefit are passed on to Purchasers as common expenses of a DVC Resort or the Club. None of the Benefits described in this *Statement* are a feature or component of a DVC Resort or an Ownership Interest, or of any rights or privileges which are appurtenant to that Ownership Interest. The continued availability of the Program or any Benefit or any or all of these special programs is not necessary in order for any accommodation or facility of a DVC Resort or the Club to be available for use by Purchasers in a manner identical in all material respects with the manner portrayed by any promotional material, advertising or the Public Offering Statement.

Neither the Program nor any Benefits obtained through the Program are assignable or transferable by a Purchaser and may not be resold. Purchasers who acquire an Ownership Interest from any person other than DVD are not eligible to participate in the Program or receive any Benefits. Purchasers should not purchase an Ownership Interest in reliance on the ability to transfer any incidental benefits with the resale of an Ownership Interest.

Certain of the Benefits described in this Statement are provided by independent entities not affiliated with DVD or any of its affiliates, which independent entities shall be solely responsible for all aspects of the applicable Benefit. Furthermore, the relationship of DVD or any of its affiliates to any third provider is governed by an agreement or arrangement which limits DVD's or its affiliates' role to that of reservation booking facilitator. Accordingly, neither DVD nor any of its affiliates shall at any time be liable or responsible whatsoever for any loss, injury or damage arising from any Benefits provided by any third party, whether caused by acts of God, acts of governments or other authorities, pandemics, epidemics, wars, civil disturbances, hijacks, terrorism, theft, intentional, or negligent acts of any third party or any other cause whatsoever. In no event shall DVD or any of its affiliates be liable for any special or consequential damages arising out of or in connection with the use or operation of any Benefit.

If any Benefit, or any portion of a Benefit, becomes unavailable for any reason, DVD reserves the right to substitute a replacement Benefit of a type, quality, value and term reasonably similar to the unavailable Benefit. Reservations for accommodations at a DVC Resort shall be deemed conclusively to be reasonably similar to accommodations reserved at any other property through the Program.

A description of the Benefits in the Program currently available to Purchasers is as follows:

In order to complete a reservation, Member Services will be providing the destination with the Member's name, address, and phone number.
2. Reservation requests may be made only by a Member; however, reserved Accommodations may be occupied by Members or their guests. Accommodations are for personal use only and may not be assigned, bartered, rented, sold, otherwise transferred or used for any commercial purpose as determined by DVD in its discretion.

Reservations confirmed using deposited Vacation Points require a US\$95.00 transaction fee at time of booking. Depositing Vacation Points into the *Adventures by Disney* and *National Geographic Expeditions* Deposit Program does not guarantee reservation availability.
5. By making and accepting a confirmed reservation for any Accommodation, or by depositing Vacation Points as part of the *Adventures by Disney* and *National Geographic Expeditions* Deposit Program, the Member irrevocably assigns to DVD all occupancy and use rights associated with the Member's Ownership Interest and attributable to the Member's allotted Vacation Points used to reserve DVC Resort accommodations. The Member who has assigned all occupancy and use rights associated with the Member's Ownership Interest and attributable to the Member's allotted Vacation Points used to reserve DVC Resort accommodations is not entitled to any rental or other compensation if reserved DVC Resort accommodations are rented or otherwise transferred for compensation by DVD.

6. The programs outlined above (hereinafter "Programs") are being offered to the Members solely by DVD (not the Disney Travel Accommodations Provider or the Hotel Exchange Accommodation Provider).
7. Except for any occupancy or sales tax associated with the occupancy of an Accommodation, the Member or guest occupying Accommodations through the Program shall be responsible for all charges and expenses associated with such occupancy which may include food and beverage, transportation, long distance telephone calls, tips, gratuities, service charges, incidental purchases, room service or resort fees. 3. Certain Benefits offered in connection with the Optional Benefit Program, including but not limited to lounge spaces, recreational facilities and amenities, may only be available to Members who have appropriate valid theme park admission and an appropriate theme park reservation. Theme park reservations are limited and subject to availability, public health orders, and applicable blackout dates, and are not guaranteed for any specific dates or theme park. sole discretion and disclosed by DVD when offering enrollment in the Optional Benefit Program for the respective Benefit Season. In the event of enrollment after the start of, and anytime during, the Benefit Season, the yearly enrollment fee will not be prorated and access to the Benefits offered in connection with the Optional Benefit Program will be available on a go-forward basis only from the date of purchase through the end of the appropriate Benefit Season. The yearly enrollment fee is not refundable after purchase.

5. The yearly enrollment fee and Benefits of the Optional Benefit Program are subject to change each Benefit Season in DVD's sole discretion. Benefits and prices are subject to change without notice.
6. Operating expenses of the Optional Benefit Program are funded through the yearly enrollment fee of Members who choose to participate in this program and are not charged to the common expenses of any DVC Resort or the Club. Only the record owners of an Ownership Interest currently eligible for Membership Extras, who are age 18 years or older, qualify for the Optional Benefit Program. Other restrictions may apply.
7. The Optional Benefit Program and all Benefits thereunder are subject to change and DVD reserves the right at its sole option and discretion, without prior notice or the consent of Members, to discontinue or terminate the Optional Benefit Program, or to substitute a replacement Benefit of a type, quality, value and term reasonably similar to any Benefit under this program that may become unavailable for any reason. In the event of termination, DVD will continue to fulfill any Benefits then existing at the time of such termination for Members enrolled in the Optional Benefit Program, through the end of the current Benefit Season, or will otherwise issue a prorated refund of the fee reflecting that period of time from the termination date through the end of the current Benefit Season.
8. All Benefits made available under the Optional Benefit Program may only be accessed by enrolled Members, are not redeemable for cash or other consideration, and may not be resold or transferred. While enrolled Members may share certain Benefits with guests, when applicable, the ability to book, reserve, or purchase any Benefit is limited to the enrolled Member and cannot be assigned to any other person.
9. If the Optional Benefit Program is changed or terminated, all valid and unexpired Benefits will be honored through their respective expiration date in accordance with their terms.
10. DVD reserves the right to revoke a Member's enrollment in the Optional Benefit Program, or participation in any Benefit offered in connection therewith, for any reason in DVD's sole option and discretion, without prior notice.

General Terms

The term "include" and similar terms (e.g., includes, including, included, comprises, comprising, such as, e.g., including but not limited to and for example), when used as part of a phrase including one or more specific items, are not words of limitation and are not to be construed as being limited to only the listed items. This *Statement* shall be construed without regard to any presumption or other rule requiring construction against DVD as a result of DVD causing this *Statement* to be drafted. Whenever the consent or approval of DVD or any of its affiliates is referred to in this *Statement* or the taking of any action under this *Statement* is subject to the consent or approval of DVD or any of its affiliates, it shall mean prior written approval to be given or withheld in the discretion of DVD or any of its affiliates, as applicable. Further, any references to the use, exercise or grant of the right of discretion of DVD or any of its affiliates as set forth in this *Statement* shall mean the sole, absolute and unfettered discretion of DVD or any of its affiliates, as applicable, to the exclusion of any other person or

entity unless specifically provided otherwise. The use of headings, captions and numbers in this *Statement* is solely for the convenience of identifying and indexing the various provisions of this *Statement* and shall in no event be considered otherwise in construing or interpreting any provision of this *Statement*.
