## ACCESSIBILITY AND MOBILITY

**Courtesy Wheelchairs** Complimentary wheelchairs are available for travel to and from the accessible parking lot and the nearest wheelchair rental location. These courtesy blue wheelchairs are not permitted for use inside the Theme Parks.

**Restrooms and Companion Restrooms** Restrooms at the Theme Parks, designated by , offer facilities designed for access by Guests with mobility disabilities. Companion-assisted restroom facilities, designated by , are also available at many locations in each Theme Park. Theme Park First Aid locations, designated by , have facilities with additional space and privacy for individuals who may need assistance from a member of their party with their personal care needs.

**Accessible Transportation** The following options are available for Guests in wheelchairs or ECVs:

- **Watercraft and Ferryboat** access varies depending on the type of watercraft and existing conditions.
- **Buses** can accommodate various types of wheelchairs and ECVs. The standard lift size is 30" x 48". The wheelchair or ECV must fit the lift without being forced and be securely fastened in the restraints. We recommend that Guests using ECVs transfer to a bus seat while onboard.
- **Monorail system** can be accessed by elevators and/or ramps, at the Transportation and Ticket Center, *Magic Kingdom* Park and *Magic Kingdom* Resorts.

**Viewing Areas**   Some show areas have designated viewing areas for Guests with disabilities. These areas are filled on a first-come, first-served basis. Plan to arrive early, as space is limited. Viewing spaces cannot be reserved or guaranteed. Parties larger than four may be asked to separate and reunite afterwards.

**Dining and Shopping Locations** Some counter-service and merchandise locations have narrow queues formed by railings that may be difficult for Guests using wheelchairs. At these locations, we suggest that a member of your party order and transport the food, or contact a Cast Member for assistance.

### Specialty Lighting Effects/Photosensitivity

Specialty lighting and other visual effects are used extensively throughout the *Walt Disney World* Resort. These effects include strobe lights and other effects such as simulated lightning, explosions and chaser lights.

### Magnetic Fields

Common equipment, such as electric motors and radios, that produce electric and magnetic fields are utilized extensively throughout the world and also within our Resorts. These fields are generally no greater than you would experience in any urban environment or may be exposed to through common household appliances such as vacuum cleaners and hair dryers.

### Special Effects

Special effects, including theatrical smokes, fog, snow and bubbles, are used at select *Walt Disney World* Resort attractions, shows and special events. All special effects are produced using products that have been proven to be safe in these applications.

**NOTE:** If you or any member of your party have questions regarding the above, you may speak with a Guest Relations Cast Member for details.

## SERVICE ANIMALS

Service animals, defined as any dog or miniature horse trained to do work or perform tasks for the benefit of an individual with a disability, must be under the control of the owner at all times and should remain on a leash or in a harness. **Special Considerations for Attractions**

**Safety:** Please abide by all safety warnings and notices.

- Supervise children at all times. Children under age 7 years must be accompanied by a person age 14 years or older.
- For your safety while on attractions, remain seated with hands, arms, feet and legs inside the vehicle. Supervise children.

All loose articles, such as mobile phones, hats/sunglasses and water bottles, should be securely stowed while riding or left with a non-riding member of your party. Items lost while riding attractions may not be immediately retrievable. For your safety, do not attempt to retrieve lost articles in any area. Please see a Cast Member for assistance.

**Physical considerations on designated attractions:**

- Warning!** For safety, you should be in good health and free from high blood pressure, heart, back or neck problems, motion sickness, or other conditions that could be aggravated by this adventure. Expectant mothers should not ride.
