To enter a Disneyland® Resort Theme Park, Magic Key holders must have both a Theme Park reservation and Magic Key pass valid for admission to the same Park on the same date they plan to visit. Park reservations for Magic Key holders are limited in number and subject to the availability of Park reservations allocated to Magic Key passes as determined by Disney, applicable Magic Key pass blockout dates, and Theme Park capacity. A Magic Key pass does not guarantee Park entry, even on dates when a Magic Key pass is not blocked out. Magic Key holders, regardless of their Magic Key pass type, are not entitled to any or all reservations Disney makes available to others. Other restrictions apply, as set forth in the Magic Key Terms and Conditions at Disneyland.com/MagicKeyTerms, and may change from time to time at Disney's discretion without notice or liability. Visit Disneyland.com/Updates for important information to know before visiting the Disneyland® Resort.
