

SIGN LANGUAGE INTERPRETED EXPERIENCES

The Disneyland Resort provides American Sign Language interpretation for our Guests at specific experiences on a rotating basis.

Guests with hearing disabilities should consult the *Guide for Guests with Disabilities* or visit Guest Relations for additional information about Sign Language interpreting services, assistive listening, handheld, & video captioning, and written aids.

To maximize the available Sign Language offerings, we encourage Guests to plan their visit on a designated day. If visiting our theme parks on a non-designated day, Sign Language interpretation for a limited number of regularly scheduled offerings may be available by request with at least 14 days advance notice.

- All Character interactions are subject to availability and may change without notice and cannot be guaranteed.
- Please plan accordingly so that you are in line for the Characters before the interpreters arrive to the location.
- Using a Sign Language Interpreter at any of our locations does not guarantee access at a specific time.
- The Sign Language interpreter will meet you at the designated times and locations listed below. Due to the full schedule, they will rotate to the next location on time.
- The Sign Language Interpreter is not employed by Disney and will not exchange contact information with you.
- Our service is not a guided tour and a Sign Language interpreter will not escort parties around the park.

If you have any questions about our Sign Language interpreted performances, please contact dlraccessibilityservices@disney.com.
