## ACCESSIBILITY AND MOBILITY

**Courtesy Wheelchairs** Complimentary wheelchairs are available for travel to and from the accessible parking lot and the nearest wheelchair rental location. These courtesy blue wheelchairs are not permitted for use inside the Theme Parks.

**Restrooms and Companion Restrooms** Restrooms at the Theme Parks, designated by ♿, offer facilities designed for access by Guests with mobility disabilities. Companion-assisted restroom facilities, designated by ♿, are also available at various locations in each Theme Park. Theme Park First Aid locations, designated by 🚑, have facilities with additional space and privacy for individuals who may need assistance from a member of their party with their personal care needs.

**Accessible Transportation**  
The following options are available for Guests in wheelchairs or ECVs:

- Buses and Disney Skyliner can accommodate various types of wheelchairs and ECVs. The standard footprint is 30" x 48". The wheelchair or ECV must fit without being forced. On buses, the device must be securely fastened in the restraints, and we recommend that Guests using ECVs transfer to a seat while onboard a bus.
- Watercraft access varies depending on the type of watercraft and the existing water levels and conditions.

**Dining and Shopping Locations** Some counter-service and merchandise locations have narrow queues formed by railings that may be difficult for Guests using wheelchairs. At these locations, we suggest that a member of your party order and transport the food, or contact a Cast Member for assistance.

**Viewing Areas** 📺 Some show areas have designated viewing areas for Guests with disabilities. These areas are filled on a first-come, first-served basis. Plan to arrive early, as space is limited. Viewing spaces cannot be reserved or guaranteed. Parties larger than six may be asked to separate and reunite afterwards.
