Restrooms and Companion Restrooms Restrooms at the Theme Parks, designated by ♿, offer facilities designed for access by Guests with mobility disabilities. Companion-assisted restroom facilities, designated by ♿, are also available at various locations in each Theme Park. Theme Park First Aid locations, designated by 🚑, have facilities with additional space and privacy for individuals who may need assistance from a member of their party with their personal care needs.

Accessible Transportation
The following options are available for Guests in wheelchairs or ECVs:

- Buses and Disney Skyliner can accommodate various types of wheelchairs and ECVs. The standard footprint is 30" x 48". The wheelchair or ECV must fit without being forced. On buses, the device must be securely fastened in the restraints, and we recommend that Guests using ECVs transfer to a seat while onboard a bus.
- Watercraft access varies depending on the type of watercraft and the existing water levels and conditions.

Dining and Shopping Locations Some counter-service and merchandise locations have narrow queues formed by railings that may be difficult for Guests using wheelchairs. At these locations, we suggest that a member of your party order and transport the food, or contact a Cast Member for assistance.

Viewing Areas 📺 Some show areas have designated viewing areas for Guests with disabilities. These areas are filled on a first-come, first-served basis. Plan to arrive early, as space is limited. Viewing spaces cannot be reserved or guaranteed. Parties larger than six may be asked to separate and reunite afterwards.
